Ganga Hospital, Coimbatore.

"Experience the Expertise"

Under aegis of
Indian Orthopaedic Association
Tamil Nadu Orthopaedic Association

Ganga Operative Arthroplasty Course 2025

Dr. S. Rajasekaran
Organising Chairman

Dear Colleagues,

We have great pleasure in inviting you to the **Ganga Operative Arthroplasty Course** from **14th to 16th August 2025**. The acceptance of joint replacement surgeries in India is fast increasing with more than 2,50,000 joint replacements being done every year. While the quality of life has dramatically improved following surgery, patient expectations from the surgical procedure is also increasing. Newer techniques including robotic assisted replacements are becoming more common and it is important that the surgeon is well adept with the art and science of joint replacement surgery.

This Operative Arthroplasty Course will have more than 30 joint replacement surgeries covering the entire spectrum of arthroplasty procedures and these surgeries will be performed by renowned international and national faculty members who will share their wealth of experience and provide tips to avoid complications and improve outcome. Other highlights of the course will include debates on controversial topics, preoperative planning sessions, discussion on challenging cases, workshop sessions and trade exhibits from all leading companies.

Coimbatore, a Medical Hub, is also well known for its educational institutions, pleasant weather, friendly culture and exceptional hospitality. It is also the gateway to famous hill stations, beaches and attractive tourist destinations.

We look forward to seeing you in Coimbatore in August 2025. Do spend the Independence Day with us.
